Karl here: using my r7 colleagues B/B, Althea Moses.

Carter event a really fine celebration. All the St Louis electeds thanked EPA, but all said one way or other, 'What took u so long?'. Will send u press tmw morning. We've had 2 v pos front page Post-Dispatch arts in last 4 days.

Rep Shimkus toured W L for info purposes only. He is in STL area media so wanted to b ready for qstns. Had no particular criticisms of EPA actions to date. Doesn't want to be involved in briefings except to be erly aware of any very big issues. Siad he shd kno abt lots of diff cercla and rcra sites b/c of his s/comm chair. Thot our r7 team who toured him were great. And they told me later he was curious and involved, but not opinionated for or against agency or prps.

Shimkus did say he often deals w u on s/comm. Wishes u well.

Cheers

Karl
